PROFILE

Visual designer with 10+ years of hands-on experience in photography, video editing, and motion graphics, now transitioning into UI/UX design. Recently completed a comprehensive UI/UX design course with a strong grasp of user research, wireframing, prototyping, and design systems. Combines a keen eye for detail, storytelling, and brand-focused visuals with a user-centered design mindset — eager to apply this blend of creative and UX skills as a UI/UX design intern.
